The ultimate in gas pressure washers for the jan/san customer, in mobility, power, performance and more

Tornado's line of gasoline pressure washers continues our tradition of high-performance units designed for everyday use and with operator comfort in mind. Honda engines, large rubber tires, and a number of

operator and engine safety features are just a few reasons why our pressure washer designs are the most popular worldwide. Not to mention, amazing performance and unmatched durability.

5.0 HP 2400 PSI

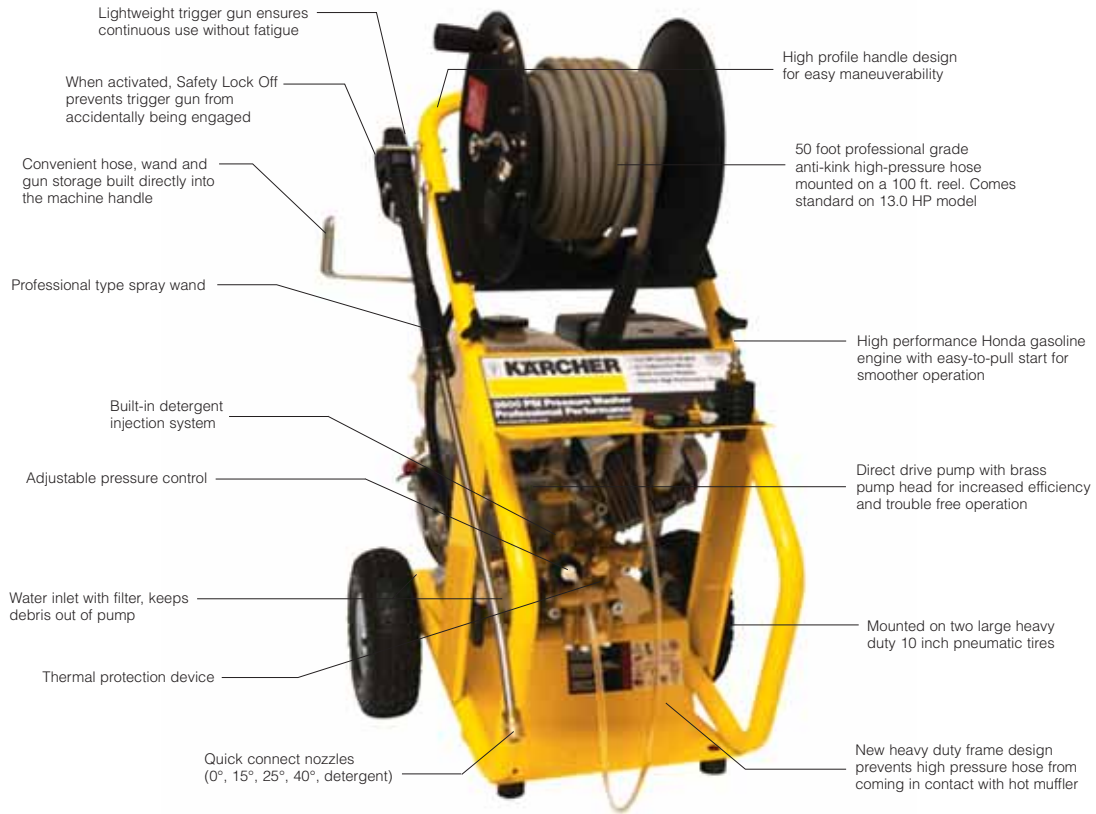

- Powered by a 5.0 HP Honda GC 160 Gasoline Engine
- Dirt Blaster® rotating nozzle included-increases cleaning performance by up to 50%
- Thermal protection device protects the high pressure pump and results in longer operating life
- New heavy duty frame design prevents high pressure hose from coming in contact with hot muffler
- Direct drive pump with brass pump head for increased efficiency and longer operating life
- Built-in detergent injection system
- Convenient accessory storage built directly into machine handle

**Safe, Reliable, and Effective**

Whatever the application, our pressure washers are built to last, with uncompromised standards for safety and performance.

# GASOLINE PRESSURE WASHER SERIES

9.0 HP 3000 PSI / 13.0 HP 3600 PSI (SHOWN)

- Powered by a 9.0 or 13.0 HP Honda Gasoline Engine
- Quick connect nozzles (0°, 15°, 25°, 40°, detergent)
- Dirt Blaster® rotating nozzle included-increases cleaning performance by up to 50%
- Thermal protection device protects the high pressure pump and results in longer operating life
- Built-in detergent injection system
- New heavy duty frame design prevents high pressure hose from coming in contact with hot muffler
- High performance direct drive pump with brass pump head for increased efficiency and smoother operation
- Convenient accessory storage built directly into machine handle
- 13.0 HP unit comes standard with 100 ft. hose reel (#K9124005)

**Powerful**  
Tornado's units are perfect for power washing vehicles and heavy equipment, as well as sidewalks, pool decks, and other challenging cleaning environments.

**Versatile**  
Quick connect jets make easy work of any job.
